Secretary, ORR Career Service Board

3 February 1958

Chief, Geographic Research

Endorsement of Applications for Geographer Position, O/DD/I - [redacted] 25X1A6a
(Slot No. I-49)

1. In considering all of the applications for this vacancy coming from the Geographic Area, two applicants stand out as particularly well-qualified: [redacted] 25X1A9a

2. I have examined carefully the qualifications of all of the candidates -- especially these two -- and recommend to the Board the appointment of [redacted] to fill the vacancy. I think [redacted] appointment would not only be beneficial to him in his career development, but would also benefit the Area because of the developmental work which needs to be done in the field of Urban Area Mapping.

3. There have been recent indications of the desirability of working very closely [redacted] in the production of Town Plans, using the [redacted] and our production capabilities and skills. [redacted] is thoroughly familiar with all of the background and efforts of the Geographic Area in Town Plan production over the past years. I believe that a two-year tour for him would not only accomplish the objectives and work program of the [redacted] but would also result in the establishment of effective procedures in the production of priority town plans.
